About the Conference

The International Arab Conference on Quality Assurance in Higher Education is a refereed scientific conference specialized in the field of higher education quality, and stems with all its bodies from the Association of Arab Universities, and is based at Zarqa University as the permanent headquarters of its General Secretariat since 2011. The conference aims to:

- * Enhance the culture of quality and its practice in Arab universities.
- * Spread and deepen the culture of quality control in higher education programs to improve their outcomes and align them with the requirements of the labor market.
- * Formulate strategies and plans to comply with the requirements of the internal and external environment and the quality of performance.
- * Develop higher education using measurement standards consistent with international standards.
- * Increase awareness about quality assurance and accreditation standards in educational institutions.
- * Develop policies for mechanisms for implementing and ensuring quality in higher education.
- * Highlight the importance of ensuring the quality of higher education and its impact on the development and advancement of Arab universities.

Venue

The tenth session of the International Arab Conference on Quality Assurance in Higher Education IACQA' 2022 will be held at Zarqa University - the Hashemite Kingdom of Jordan during the period from 16 to 18/11/2022.

It is worth mentioning that Zarqa University was established in 1994, to be synonymous with the Jordanian public and private universities in terms of curriculum and goal. During its long pioneering journey, Zarqa University has taken firm and confident steps towards excellence and progress in the learning and

teaching process, by obtaining local accreditation for all its comprehensive and diverse academic programs compatible with the needs of the local community, in addition to obtaining international accreditations for these programs, believing in the necessity of cooperating with local, regional, and international universities in various educational fields and related agreements dealing with academic and research affairs, ensuring the quality of higher education, and serving the community.
